II. Entry Requirement

All rules and regulations indicated in this brochure regarding the qualifications for international students who intend to apply for admission to THU are subject to the “Regulations Regarding International Students Undertaking Studies in Taiwan” administered by Ministry of Education (MOE) of R.O.C. Should there be any future revisions of the regulations, the latest regulations announced by MOE shall prevail. Website: <http://www.edu.tw/>

1. Identification Documents

Applicants must meet the eligibility as international students in accordance to Article 2 and 3 of “Regulations Regarding International Students Undertaking Studies in Taiwan” enforced by MOE. The following are eligible to apply:

- (1) An individual of foreign nationality who has NEVER held R.O.C. nationality and does NOT have Overseas Chinese student status on the date of application.
- (2) An individual who has double nationality of both R.O.C. and a foreign country but has never registered a household in Taiwan. On the date of his/her application, he/she should have lived overseas (excluding Mainland China, Hong Kong, and Macao) continuously for no less than 6 years, during which time his/her stays in Taiwan per calendar year should not exceed a total of 120 days.
- (3) An individual who had previously held R.O.C. nationality but later gave up and his/her R.O.C. nationality had been declared invalid by Ministry of the Interior for no less than 8 years. On the date of his/her application, an individual should have lived overseas (excluding Mainland China, Hong Kong, and Macao) continuously for no less than 6 years, during which time his/her stays in Taiwan per calendar year should not exceed a total of 120 days either.
- (4) An applicant of foreign nationality WITH permanent residence status in Hong Kong or Macao and having no registered household history in Taiwan. On the date of application, he must have resided in Hong Kong, Macao, or another foreign country (excluding Mainland China) for no less than 6 years.
- (5) An applicant—who was a former citizen of Mainland China with a foreign nationality, having no registered household history in Taiwan, and at the time of application has resided overseas continuously (excluding Hong Kong, Macao and Mainland China) for no less than 6 years.
- (6) An international student who did not complete study in a college or university in Taiwan may apply for transferring to a bachelor degree program in Tunghai University, given that the student has continuously been living in Taiwan for no less than 6 years.

Note. 1. According to Article 2 of R.O.C. Nationality Law, an individual is by right a citizen of the Republic of China under any conditions mentioned below:

- (1). His/her father or mother was a citizen of the Republic of China at the applicant's birth. **For an applicant born before February 9th, 1980, only his/her father's citizenship status counts.
 - (2). He/she was born after the death of his/her father or mother, and his/her father or mother were a citizen of the Republic of China when deceased.
 - (3). He/she was born in the territory of the Republic of China, and his/her parents can't be identified or both were stateless persons.
 - (4). He/she has undergone the nationalization process.
- (1) and (2) in the above also apply to persons who were minors at the time of the revision and promulgation of this Act.

Note. 2. The term "overseas" refers to countries or regions other than the Mainland China, Hong Kong, and Macao.

Note. 3. The term "six and eight years" starts from the beginning date of a semester (for Fall : August 1; for Spring: February 1) for counting years of study.

Note. 4. The term "reside overseas continuously" includes calendar years, in each of which one's stay in Taiwan does not exceed 120 days. When counting the years spent overseas, the years counted do not have to be complete calendar years (e.g., Jan. 1~Dec. 31). Continuous overseas residency **could include** the time that a person has spent in Taiwan when the following cases occur—if a student:

- (1). attended an overseas youth technical training course conducted by the OCAC or a technical professional training program accredited by Ministry of Education;
- (2). attended the Chinese language center at a university or college approved by the Ministry of Education in Taiwan and his/her study period is less than two years;
- (3). spent a total period of less than two years in Taiwan as an exchange student; or
- (4). spent a total period of less than two years for an internship in Taiwan under the approval of the designated national authority.

❖ Admitted applicants holding the nationalities listed in the list of designated countries, shall follow the regulation to apply for an R.O.C. visa. Professors in his/her concern should sign a Letter of Guarantee to facilitate visa application. For more details, please refer to <https://www.boca.gov.tw/lp-36-1.html>

2. Academic Credentials

- (1) International applicants must have graduated from a high school or college/university certified MOE (please refer to the website of Department of International and Cross-Strait Education, MOE).
 - (A). Applicants applying for an undergraduate program must hold a diploma obtained from a certified foreign high school;
 - (B). Applicants applying for a Master's program must hold a Bachelor's degree obtained from a certified college/university;
 - (C). Applicants applying for a Ph.D. program must hold a Master's degree obtained from a certified college/university.
 - (D). Applicants who completed two semesters in an undergraduate program at any university in Taiwan or at a foreign university certified by MOE, may transfer to the fall semester of the sophomore year; those who completed the first three semesters may transfer to the spring semester of the sophomore year
- (2) Applicants declaring *equivalent education level* should meet the qualification of "Standards for Recognition of Equivalent Educational Levels for University Admission" stipulated by MOE.
- (3) Applicants declaring *equivalent education level* or holding a diploma from a foreign country, Hong Kong, Macao and Mainland China must meet the requirements in Article 9 of "Standard for Recognition of Equivalent Educational Levels for University Admission".
- (4) Applicants who were expelled due to unsatisfactory grade in Conduct or conviction in a criminal case are not permitted to transfer to THU.

Note 1. Graduating applicants should provide a “Certificate of Expected Graduation” or proof of current enrollment. Once accepted, however, official diploma is required to avoid cancellation of admission.

Note 2. An applicant (from a high school in Hong Kong, Macao or other areas), whose graduating year is equivalent to the sophomore year of a senior high school in Taiwan (please refer to Form 5 for senior high finishing at the 11th grade), is eligible to apply for the undergraduate program. However, the student will have to take an extra 12 credits to satisfy the graduation requirement according to “Tunghai University Academic Regulations.”

Note 3. Due to the education system differences among countries, graduating applicants must submit before deadline an official diploma and an official academic transcript for all semesters with authentication procedures completed by the local R.O.C. representative office. For Fall semester the application deadline is 31st August, 2022; For Spring semester: 31st January, 2023.

Any confirmed violation of the above will lead to cancellation of admission, expulsion from school and diploma revocation. THU will not issue any proof of academic credentials at any stage.

III. Application Procedure

1. Application Period (Taiwan Standard Time)

Fall Semester	January 18 , 2022 ~ May 31 , 2022

V. Admission Announcement

1. Application Results

The application results will be available one month after the application documents are processed. Applicants can log onto online application system to check the personal application results during the designated period of time.

2. Mailing Letters of Admission Notification

After the announcement of application results, we will notice the applicants by email and mail out the official notification of admission by post.

VI. Enrollment and Registration

1. International students who receive the notification of admission issued by THU are required to submit the “Acceptance Form of Admission for International Students” to the Office of International Relations (OIR) by the appointed deadline indicated in the notification of admission in order to arrange dormitory application and airport pick-up services. Failure to reply to the letter will result in the cancellation of students’ admission and other related services by THU and no objection will be accepted.

2. International students who have submitted the “Acceptance Form of Admission for International Students” should proceed with their registration on the designated date indicated in their notification of admission. They are also required to submit the documents listed below at the time of registration. Those who fail to submit these required documents will not be allowed to complete their registration with THU as new students. Documents required for completing registration:

- (1). **Passport:** Applicants need to submit a photocopy of the first page of their passport and a photocopy of the page with their R.O.C. entry visa. The original passport will be returned to the applicants after being verified upon registration.
- (2). **Academic credentials** authenticated by a Taiwan overseas representative office or other relevant offices located in the country of the academic institution which issued the academic credentials, are required. If the academic credentials were issued by a Taiwanese education institution, then there is no need for authentication by a Taiwan overseas representative office.
 - A. Applicants admitted to an undergraduate program: High school diploma.
 - B. Applicants admitted to a Master’s program: Bachelor’s degree certificate.

- C. Applicants admitted to a Ph.D.'s program: Master's degree certificate.
 - D. Applicants admitted to a Bachelor's Transfer: Certificate of attendance, transfer certificate or leave-from-studies certificate, or college graduation diploma.
 - ❖ If the applicant's graduation certificate/diploma is in a language other than Chinese or English, a notarized document of the translation of the certificate/diploma in English or Chinese is also required.
- (3). **Official transcripts** for all academic years (original documents authenticated by a Taiwan overseas representative office or other relevant offices located in the country of the academic institution which issued the transcript, are required. If the transcripts were issued by a Taiwanese education institution, then there is no need for authentication by a Taiwan overseas representative office).
- A. Applicants admitted to an undergraduate program: High school transcript.
 - B. Applicants admitted to a Master's program: Bachelor's degree transcript.
 - C. Applicants admitted to a Ph.D.'s program: Master's degree transcript.
 - D. Applicants admitted to a Bachelor's Transfer: transcripts for all semesters completed at all colleges/universities previously attended.
- ❖ If the applicant's transcripts are in a language other than Chinese or English, a notarized document of the translation of the transcripts in English or Chinese is also required.

- ❖ Academic credentials from Mainland China: "The Regulations Governing the Accreditation of Schools in Mainland China" shall apply.

- ❖ Academic credentials from Hong Kong or Macao: "Academic Credential Verification and Accreditation Methods adopted in Hong Kong and Macao" shall apply.

- ❖ Academic credentials from other areas:

- (1) Academic credentials earned at overseas Taiwan schools or Taiwan schools in Mainland China shall be regarded the same as those at domestic schools with equivalent levels.

- (2) Academic credentials not earned at overseas Taiwan schools or Taiwan schools in Mainland China shall be subject to the " Regulations Regarding the Assessment and Recognition of Foreign Academic Credentials for Institutions of Higher Education". However, academic credentials earned from foreign schools in Mainland China require public notarization in Mainland China and should be verified and examined by an institute established or appointed by the Executive Yuan or a commissioned private agency.

Notice:

You may contact an R.O.C. overseas embassy, consulate, or mission in your home country regarding the authentication of your graduation certificate, transcripts, and other relevant documents. If there is no R.O.C. overseas representative office in your home country, you may contact the closest one in the neighboring region or country. For a list of embassies or overseas representative offices of R.O.C. (Taiwan), please refer to the website of Ministry of Foreign Affairs (MOFA) (<http://www.taiwanembassy.org/>).

- (4). Official proof of the student's medical and accidental insurance policy purchased outside R.O.C.; it has to be authenticated by an overseas R.O.C. representative office as valid for at least 6 months upon entry to R.O.C.. For international students who are already insured by R.O.C. National Health Insurance, they must provide a proof of their R.O.C. National Health insurance (such as their R.O.C. National Health insurance ID card). If there are any questions regarding the required health insurance documents, please contact the Office of International Relations (OIR) (Tel: +886-4-23590121 ext. 28509; e-mail: isas@thu.edu.tw).

3. Credit Transfer

- (1). Transferring credits will be implemented in accordance with the Regulations of Credit Transfer administered by THU. The credits earned from previous college or university courses can be transferred after completing

registration and submitting a written application which needs to be approved by the department and the Office of Academic Affairs. Applying for credit transfer can be done one time only at the designated time during the current semester of the current academic year. Any late applications that are submitted after the designated time will not be accepted.

- (2). International students who apply for credit transfers are required to submit their previous transcripts authenticated by a Taiwan overseas representative office. Each department concerned withholds the right to approve the credit transfer applications. (please refer to THU Regulations of Student Credits Waiver and Transference: http://reg.thu.edu.tw/zh_tw/download10)

VII. Other Related Information

1. Applicants who apply for admission should agree to grant THU full access to all of the information submitted in their applications (including personal information and documents). These will be used by THU during the admission and registration process as well as by the programs/departments to which the applicant intends to apply for. The rest of information submitted by applicants for admission is to be handled according to “Personal Information Protection Act”.
2. **The admission notification issued by THU does not guarantee the applicant’s acquisition of an R.O.C. visa. This will be processed and issued by an R.O.C. overseas embassy, consulate, or mission as authorized by the Ministry of Foreign Affairs.**
3. In the event where the university discovers that admitted THU internationals have forged, altered or fabricated documents for application or the documents are found to be fraudulent, inaccurate, or lacking legal effect, immediate cancellation of enrollment or expulsion will occur. No academic proof will be released by THU and if such discoveries are found after graduation, THU will make a public announcement of retracting their graduation status. Such students will have to assume full legal responsibilities that might arise.
4. Other matters concerning admission status, student status, transferring schools, changing major, suspending or discontinuing schooling, course work, and life on campus are handled according to “THU Academic Regulations” and relevant rules. Please refer to the following website for more information: http://reg.thu.edu.tw/zh_tw/download10.
5. International students may not apply for Extension Programs at universities/colleges designed for returning education students; part-time/in-service courses of Master programs; or other programs, which are restricted to night classes and classes during holidays. International students who have obtained legal resident status of Taiwan, or are enrolled in a program ratified by this Ministry, are exempted from this Article.
6. All freshmen and transfer students, regardless of department, nationality and gender, are required to take a one-year-0-credit course in basic labor service. Please visit the following website to get more information: <http://labor.thu.edu.tw/>.
7. To obtain a bachelor’s degree from THU, all undergraduates must complete all required courses as well as meeting the “Exit Requirement for English Proficiency” administered by either their department or the university before graduation.
8. Admitted students who have previously graduated from a foreign high school (including those in Hong Kong and Macao) which is considered equivalent to senior high school sophomores in Taiwan are required to complete 12 extra credits for the completion of a bachelor’s degree in accordance with the “THU Academic Regulations”.
9. If there are any discrepancies between the Chinese version and the translated English version within this application brochure, the Chinese version shall prevail.
10. The admission of international degree students is processed in accordance with the “THU Academic

Regulations” as well as the “THU International Students Entrance Requirements Guidelines”.

11. Any application issues not addressed in this brochure will be handled according to the relevant rules and regulations of THU as well as the determinations of the admission committee.
